THE CITY OF MIRAMAR has filed an application (12-ZR-01) to rezone 440 acres of property in Historic Miramar from the current zoning classifications to Transit Oriented Corridor.

The rezoning request will encourage pedestrian-friendly, mixed-use development with access to bus transit stations along State Road 7, Pembroke Road, Miramar Parkway and County Line Road. It will also preserve the existing character of neighborhoods surrounding the State Road 7 corridor; regulate high-quality infill development; and create a predictable process for redevelopment.
