Qualifying businesses may receive up to \$10,000 for creating new full time jobs in Miramar.

SMALL BUSINESS ASSISTANCE PROGRAM

The City of Miramar proudly offers this assistance program to all micro-enterprise businesses (5 or fewer employees). The Micro-Enterprise Job Creation Incentive Program provides valuable assistance to small business owners by stimulating economic growth and promoting small businesses.

- Qualifying small businesses may receive up to ten thousand dollars (\$10,000).
- Assistance may be provided to subsidize the costs of professional services, i.e. legal, accounting, marketing, etc.
- All assistance provided must result in the creation/retention of new full time jobs in Miramar.
- New jobs must be maintained continuously for at least one year and employ low to moderate income individuals.
- The business must regularly submit records for review.
