MIRAMAR PREPARES TO START A COMMUNITY GARDEN IN MAY

The City of Miramar is so proud to invite you to become a part of making the world a little greener while giving back to your community. The groundbreaking for the City of Miramar's very first community garden will begin soon. The community garden will be located at Fairway Park, 3700 Largo Drive and is designed to be a common place for likeminded individuals to grow and maintain fruits and vegetables that will one day find their way into the homes of Miramar families.

Volunteers will be asked to serve a few hours a week. For information about becoming a volunteer, please complete an online application at www.ci.miramar.fl.us/green/garden.

A "Kick-Off" meeting to brief volunteers will be held on Thursday, April 29 from 5:00 PM – 6:30 PM at the Miramar City Hall Commission Chambers located at 2300 Civic Center Place, Miramar. For more information please visit www.ci.miramar.fl.us/green/garden.

Space is limited, so sign up early!
