Food Drive: Let's help our neighbors in need

The City of Miramar provides needed canned goods and other non perishable food items to some of our most vulnerable and neediest families during emergencies. Unfortunately, due to these tough economic times, these provisions are running low and we need your help. From May 17th through June 4th, the City of Miramar will be accepting non perishable foods, in an effort to alleviate the strain that has been put on this resource.

Drop off boxes will be available at The City of Miramar Multi-Service Complex, all Early Childhood Centers and the Sunset Lakes Senior Center. Some of the items desperately needed are canned meats and fish, soups, dry milk, canned fruits, dry pasta, rice, beans and breakfast cereals.

This is a great opportunity to make a difference in our community and to help our neighbors in need. For more information, please call 954-889-2722.
