The city and Rock-Kim Miramar LLC, developer of the Miramar Town Center, recently were awarded a \$5 million grant by the Florida Housing Finance Corporation's Community Workforce Housing Innovation Pilot Program for development of 50 condominium units.

The units will be in the 54-acre, mixed-use project at Red Road and Hiatus Road.

The grants will offer an average of \$100,000 toward the purchase price of a high-end condo.

For more information, call the city's Economic Development & Revitalization Department at 954-602-3265.
